I've spoken with Mr. Barrett and relayed that we still have not received an MOA from SC DOT relating to an enhancement agreement. We currently have no concerns because we have not seen the MOA. Mr. Barrett thought this was the case too, but was going to follow back up with the SC DOT and Corp to hopefully get them to send us an MOA. He wanted me to thank Kelly for his work on this too.

Allison,

Please see Mr. Barrett's message below. I met Mr. Barrett at a site visit for the I-73 project in South Carolina a few months ago. I am open to calling him but wanted to be sure to run it by your group for proper routing.
